THIS DECLARATION OF COVENANTS, RESTRICTIONS, CONDITIONS, ASSESSMENTS, CHARGES, SERVITUDES, LIENS, RESERVATIONS AND EASEMENTS AS TO LOTS 1-19 of Caddo Woods, Phase II, hereinafter referred to as the "Declaration," is made on June 6, 2023 by Shackleford Creek Land Company, LLC, a Texas limited liability company, hereinafter referred to as "Declarant"

WITNESSETH

WHEREAS, Declarant owns the real property described in the "Lot" section of Exhibit "A", which is attached hereto and incorporated herein for all purposes located in Smith County, Texas (the "Property");

WHEREAS, in order to enable Declarant to implement a general plan of development and accomplish the development of the Property as a residential development of high quality and standards in a consistent manner with continuity and to insure the creation of an architecturally harmonious subdivision, Declarant desires to subject the Property to the covenants, conditions, assessments, charges, servitudes, liens, reservations and easements hereinafter set form herein collectively called the "Covenants";

NOW THEREFORE, Declarant hereby declares that the Property shall be held, sold and conveyed subject to the Covenants, which shall be deemed as covenants running with the land and imposed upon and intended to benefit and burden each Lot, hereinafter defined.

ARTICLE I - DEFINITIONS

1.1. Definitions. The definitions of certain words, phrases or terms used in this Declaration are set forth on Exhibit "A," which is attached hereto and incorporated herein for all purposes.

ARTICLE II - COVENANTS BINDING ON PROPERTY AND OWNERS

2.1 Property Bound. From and after the date of recordation of this Declaration, the Property and all of the Lots shall be subject to the Covenants, and the Covenants shall run with, be for the benefit of, bind and burden the Property and each Lot.

2.2 Owners Bound. From and after the date of recordation of this Declaration, the Covenants shall be binding upon and inure to the benefit of the Declarant, each Owner, and the heirs, executors, administrators, personal representatives, successors and assigns of the Declarant and each Owner, whether or not so provided or otherwise mentioned in the Deed. Each Owner, his heirs, executors, administrators, personal representatives, successors and assigns, expressly agrees to pay, and to be personally liable for, the assessments provided for hereunder, and to be bound by all of the Covenants herein set forth.

2.3 General. No use shall be permitted on the Property which is not allowed under applicable public codes, ordinances and other laws either already adopted or as may be adopted by the City of Tyler, Texas, by Smith County, Texas, or by other controlling public authorities. Each Owner, occupant or other user of any portion of the Property, shall at all times comply with this Declaration and with any and all laws, ordinances, policies, rules, regulations and orders of all federal, state, county and municipal governments or their agencies having jurisdictional control over the Property, specifically including, but not limited to, applicable zoning restrictions placed upon the Property as they exist from time to time. **IN SOME INSTANCES GOVERNMENTAL REQUIREMENTS MAY BE MORE OR LESS RESTRICTIVE THAN THE PROVISIONS OF THIS DECLARATION. IN THE EVENT A CONFLICT EXISTS BETWEEN ANY SUCH GOVERNMENTAL REQUIREMENT AND ANY REQUIREMENT OF THIS DECLARATION, THE MOST RESTRICTIVE**

REQUIREMENT SHALL PREVAIL, EXCEPT IN CIRCUMSTANCES WHERE COMPLIANCE WITH A MORE RESTRICTIVE PROVISION OF THE DECLARATION WOULD RESULT IN A VIOLATION OF MANDATORY APPLICABLE GOVERNMENTAL REQUIREMENTS, IN WHICH EVENT THOSE GOVERNMENTAL REQUIREMENTS SHALL APPLY. COMPLIANCE WITH MANDATORY GOVERNMENTAL REQUIREMENTS WILL NOT RESULT IN THE BREACH OF THIS DECLARATION EVEN THOUGH SUCH COMPLIANCE MAY RESULT IN NONCOMPLIANCE WITH PROVISIONS OF THIS DECLARATION. WHERE A GOVERNMENTAL REQUIREMENT DOES NOT CLEARLY CONFLICT WITH THE PROVISIONS OF THIS DECLARATION BUT PERMITS ACTION THAT IS DIFFERENT FROM THAT REQUIRED BY THIS DECLARATION, THE PROVISIONS OF THIS DECLARATION SHALL PREVAIL AND CONTROL. All Lots shall be developed in accordance with this Declaration as this Declaration may be amended or modified from time to time as herein provided.

ARTICLE III - ARCHITECTURAL CONTROL

3.1 Reservation and Assignment of Architectural Control. The Declarant, desiring (i) to provide for the preservation of the values and amenities in and upon the Property and each Lot and (ii) to subject the Property and each Lot to the reservation of architectural control hereinafter expressed for the purpose of implementing a general plan of development for the Property to insure the creation of a high quality, architecturally harmonious subdivision, which general plan of development and reservation of architectural control is for the benefit of the Property and each Lot, or any part thereof, and each Owner, as well as for the benefit of the Declarant as developer of the Property, hereby reserves the right and all rights to approve or disapprove as to:

- A. compliance with any specific restrictions imposed by Declarant, the Architectural Control Committee, or anyone acting on behalf of either the Declarant or the Architectural Control Committee, with respect to a Lot, the Lots, and the Property and/or any part thereof;
- B. without limitation, harmony of external design, adequacy of structural design, location of improvements, allowing and location of exterior lighting, building and landscaping setbacks from property lines, playground equipment, recreational equipment, athletic equipment, basketball goals, swimming pools, spas, hot tubs, square footage of improvements, driveways, fences, columns, gates, walls, retaining walls and landscaping in relation to surrounding structures and topography which are now or hereafter may be existing or proposed, including, but not by way of limitation, architectural designs, setbacks, landscaping, color schemes, types and quality of construction materials, quality of workmanship, any and all subdivisions, re-subdivisions (where permitted), exterior additions to, changes in, construction, paving, alteration or excavation of the Property or of any Lot or any part thereof (including, but not limited to the trees now located or to be located thereon) and any and all Dwellings, structures and other improvements located thereon, either permanent or temporary, including without limitation, additions to, changes in, or alterations of grade, landscaping, roadways, walkways, signs, exterior lights, walls, columns, gates, fences, buildings, or other structures or improvements of any type or nature located thereon which any person or entity, including without limitation, governmental and quasi-governmental subdivisions or agencies, seeks to commence, erect, construct, place or maintain upon any Lot, or any part thereof.

3.2 Appointment. Until the right to appoint the members of the Architectural Control Committee and the right to change the number of members comprising the Architectural Control Committee is assigned by the Declarant to the Association, the Declarant shall have the sole and exclusive right to (i) appoint the members of the Architectural Control Committee and (ii) change the number of members comprising the Architectural Control Committee. The initial number of members comprising the Architectural Control Committee shall be two (2) and the initial members of the Architectural Control Committee shall be Lenard R. McMillin and Jason McMillin. The persons constituting the members of the Architectural Control Committee and the number of members constituting the Architectural Control Committee may be changed or modified by the Declarant at any time by the filing of a Designation of Appointment in the Official Public Records of Smith County, Texas. Upon the assignment of right to appoint the members of the Architectural Control Committee and the right to change the number of members comprising the Architectural Control Committee by the Declarant to the Association, the Association shall then have the sole and exclusive right to (i) appoint the members of the Architectural Control Committee and (ii) change the number of members comprising the Architectural Control Committee.

3.3 Construction and Other Approval Requests. All requests for approval of any of the items set

forth in this Article III shall initially be submitted in writing to the Architectural Control Committee, Caddo Woods, at 7292 Crosswater, Tyler, Texas 75703, or at such other address as may from time to time be designated by the Architectural Control Committee, and such request for approval shall be accompanied by complete and specific plans and specifications showing the nature, kind, shape, elevations, height, materials, color, location, landscaping, and other material attributes of the Dwelling Unit and other Permanent Improvements, additions, changes, alterations or excavation of a Lot or any part thereof. The Architectural Control Committee shall have no duty to exercise the power of approval or disapproval hereby reserved. The Architectural Control Committee shall have the power and authority to charge an application fee to be submitted with all requests for approval of any and all items as required in this Article III.

3.4 Designation of Power of Approval. With respect to each Lot, or any part thereof, the Declarant does herein and hereby delegate the power of approval and disapproval, reserved in this Declaration to the Architectural Control Committee. This delegation of the power of approval and disapproval may be rescinded at any time by the Declarant by the filing of an instrument so stating such act of rescission in the Official Public Records of Smith County, Texas. As long as this delegation of the power of approval and disapproval is in effect, any person or entity owning any interest in any Lot, or any part thereof (where permitted), shall be required to deal with the Architectural Control Committee, and not the Declarant, and the Declarant shall have no responsibility or liability of any nature whatsoever for the actions of the Architectural Control Committee.

3.5 Prior Approval. No dwelling, building, garage, storage building, fence, wall, sign, exterior lighting, pole, antenna, television or satellite disc or dish, driveway, parking lot, sidewalk, other walkway, mailbox, athletic equipment, recreational equipment, playground equipment, basketball goals, swimming pool, spa, hot tub, other structure, equipment or apparatus or any nature whatsoever, either permanent or temporary, or landscaping shall be commenced, erected, constructed, placed or maintained upon any Lot, nor shall any exterior addition thereto, change therein or alteration, excavation, subdivision, or re-subdivision thereof, including without limitation changes in or alteration of grade, landscaping, roadways, and walkways, be made, until the plans and specifications showing the nature, kind, shape, height, materials, color, location, and other material attributes of the same shall have been submitted in writing to and approved in writing by the Architectural Control Committee, in its sole and exclusive discretion, as to (i) compliance with the Covenants herein contained, and (ii) harmony of external design and location in relation to surrounding structures and topography which are now or hereafter existing or proposed, including, but not limited to, architectural designs, setbacks, landscaping, color schemes and construction materials. The Architectural Control Committee shall have the right to promulgate a form for submission of such items to the Architectural Control Committee, and upon such promulgation, all Owners shall be required to use the form for all such submissions. In the event the Architectural Control Committee fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been properly submitted to the Architectural Control Committee, approval will not be required, and the requirements for approval set forth in this Article shall be deemed to have been fully met and performed. Non-exercise of the powers hereby reserved by Declarant in one or more instances shall not be deemed to constitute a waiver of the right to exercise such power in any other or different instances. Likewise, approval of anyone set of plans and specifications shall not be deemed to constitute approval of any other or different plans and specifications. In the absence of gross negligence or willful misconduct attributable to the Architectural Control Committee, the Architectural Control Committee and the individual members of the Architectural Control Committee shall not be liable for the improper enforcement or failure to exercise any of the powers reserved and delegated unto said Architectural Control Committee pursuant to this Declaration. The fact that some type of structure or improvement may be mentioned in this Declaration is not in any manner to be construed as a statement that such type of structure or improvement will be allowed on any Lot in the Subdivision, as the final approval or disapproval for any type of structure or improvement on any Lot shall be expressly vested solely in the Architectural Control Committee to be exercised at its sole discretion.

3.6 No Liability. In no event shall any approval obtained from the Architectural Control Committee pursuant to the terms of this Declaration be in any manner deemed to be a representation of any nature regarding the structural integrity or safety or engineering soundness of the structure or other item for which such approval was obtained, nor shall such approval represent in any manner compliance with any building or safety codes, ordinances or regulations, nor shall such approval be construed as a representation or warranty as to any matter which is the subject of such approval. No member of the Architectural Control Committee shall at any time have any liability to any Owner, Member or other person or entity for any decision(s) that are made by the Architectural Control Committee as long as such decision(s) are made by the decision maker without willful and intentional misconduct. Any and all errors or omissions from the plans

submitted to the Architectural Control Committee shall be the sole responsibility of the Owner of the Lot to which the plans and improvements relate, and the Architectural Control Committee, and each member thereof, shall have no obligation to check the plans for errors or omissions or to check such plans for compliance with this Declaration, zoning ordinances, laws, building lines, easements or rights-of-way, or any other issue.

3.7 Restriction on Commencement of Construction. No construction nor pre-construction (site clearing, tree cutting or trimming, dirt removal, etc.) work of any type, kind or nature may be commenced on any Lot unless and until the Owner has received the written approval of the Architectural Control Committee as required by this Declaration.

3.8 Finality of Determinations. The authority granted by the Declarant to the Architectural Control Committee in this Declaration has intentionally been very broad and all encompassing. Therefore, no decision of the Architectural Control Committee may in any manner be avoided, challenged, reversed, rendered, modified, changed or nullified in any manner by any person, tribunal, court or other entity, except by the Architectural Control Committee itself, as long as the decision of the Architectural Control Committee was made without willful and intentional misconduct on the part of any member of the Architectural Control Committee, even if the decision of the Architectural Control Committee may seem to some as arbitrary.

3.9 Commencement and Completion of Construction. If the owner does not commence construction of the Improvements within one (1) year after approval of the plans by the Architectural Control Committee, such approval shall terminate.

3.10 Obligation for Commencement of Construction of Dwelling Unit. If any Lot Owner does not, within twenty-four (24) months after the date of the Closing of the sale ("Closing" defined as the sale by Declarant of the Lot) and purchase of such Owner's Lot, commence substantial and meaningful construction of a Dwelling Unit on the Lot, the plans and specifications of which shall have been approved by the Architectural Control Committee as provided in this Declaration, the Owner agrees to and shall pay to the Declarant a sum and amount equal to ten percent (10%) of the gross sales price paid by the Owner to the Declarant at Closing for the Lot (i) on the first day following the expiration of said twenty-four (24) month period, and (ii) on the same day of each year thereafter until the Owner commences substantial and meaningful construction of a Dwelling Unit on the Lot. For the purposes hereof, "substantial and meaningful construction of a Dwelling Unit on a Lot" shall mean that the forms for the foundation of the Dwelling Unit have been constructed and all of the rough-in plumbing work has been completed.

3.11 Obligation to Complete Construction of Dwelling Unit. Once substantial and meaningful construction has commenced on a Dwelling Unit on a Lot, the Owner of the Lot agrees to and shall with reasonable diligence and dispatch substantially complete the construction of the Dwelling Unit in accordance with the approved plans and specifications within eighteen (18) months from the date of the commencement of construction. The determination of whether or not the Dwelling Unit has been substantially completed in accordance with the approved plans and specifications shall be made solely and exclusively by the Architectural Control Committee, whose decision shall be final and non-appealable with respect thereto. If any Lot owner does not, within said eighteen (18) month time period, substantially complete the construction of the Dwelling Unit in accordance with the plans and specifications, the Owner agrees to and shall pay to the Declarant a sum and amount equal to one percent (1%) of the gross sales price paid by the Owner to the Declarant at Closing for the Lot (i) on the first day following the expiration of said eighteen (18) month period, and (ii) on the same day of each month thereafter until the Owner substantially completes the construction of the Dwelling Unit on the Lot in accordance with the approved plans and specifications.

3.12 Declarant's Right to Extend Time Periods. The Declarant, in its sole and exclusive discretion, shall have the unilateral right, but not the obligation, exercisable at any time, to waive or extend the one (1) year time period set forth in Section 3.9 above, the twenty-four (24) month time period set forth in Section 3.10 above, and/or the eighteen (18) month time period set forth in Section 3.11 above.

ARTICLE IV - GENERAL RESTRICTIONS

4.1 Single-Family Residential Purposes. All Lots and all Permanent Improvements thereon shall be used for single-family residential purposes only and for no other purposes. No Lot in the Subdivision shall ever be used, even temporarily, for any commercial, business or professional purposes, as such use shall be determined solely by the

Architectural Control Committee and whose determination shall not be subject to challenge, review or appeal, judicially or otherwise. Each Owner by accepting a Deed to a Lot hereby waives any and all rights to challenge, review or appeal the determination by the Architectural Control Committee of whether or not a use is for commercial, business or professional purposes.

4.2 Types of Structures. Unless otherwise approved by the Architectural Control Committee, no Permanent Improvements shall be erected, constructed, altered or permitted to remain on any Lot other than one (1) detached single-family residential dwelling. Any garage that faces or fronts any street in the Subdivision shall be located and constructed only as specifically allowed by the Architectural Control Committee in writing. The Architectural Control Committee shall have the right and power to require such setback of the garage on any Lot as determined solely by the Architectural Control Committee in its sole discretion. All doors on any garage shall be the style, type of material, type of construction and type of workmanship as shall be required and approved in writing by the Architectural Control Committee. No Dwelling Unit or other Permanent Improvement shall be located on any Lot nearer to the back Lot line than twenty five (25) feet. Except as provided below, on the sides of each Lot, there will be a ten (10) foot building setback line on each Lot. The Architectural Control Committee may, unilaterally without amendment to this Declaration, permit a change in any direction of the setback line on any Lot when in the sole opinion of the Architectural Control Committee it is determined to be advisable to permit such change; provided, however, that no such change shall be in any manner deemed to be a waiver of any of the Covenants nor shall any change in any manner be deemed or construed as a statement of precedent for the consideration of any other setback change. Notwithstanding the foregoing to the contrary, the side setback on any corner Lot will be twelve (12) feet.

4.5 Retaining Walls, Fences, Hedges and Other Screening Material. No retaining wall, fence, planter, hedge or other screening material may be erected or maintained on any Lot without the prior written consent of the Architectural Control Committee. No cross-ties or landscape timbers (or similar types of materials) may be used on any Lot for any purpose without the prior written consent of the Architectural Control Committee. Each Owner shall comply with the requirements of the applicable utility company regarding such underground service installations, including without limitation the payment of any lawful charges which might be incurred for the installation of the underground service as set forth in applicable utility company rules, regulations and terms and conditions of service, as the same may be amended from time to time without notice. No gas, electric, power, telephone, water, sewer, cable television or other utility or service lines of any nature or kind shall be placed, allowed or maintained upon or above the ground on any of the Property, except to the extent, if any, underground placement thereof may be prohibited by law or would prevent the subject line from being functional. The foregoing shall not prohibit service pedestals and above ground switch cabinets and transformers where required.

Both the Architectural Control Committee and the Board, acting either jointly or independently, shall have the right and authority to determine if the on street parking privileges for the Subdivision are being violated or abused by any Owner, or any relative of any Owner, or anyone residing in a Dwelling Unit, either permanently or temporarily, or any guest or invitee of any Owner, resident or occupant of any Lot. In the event the Architectural Control Committee and/or the Board determines that the on street parking privileges are being violated or abused, the Architectural Control Committee and/or the Board shall have the power to levy a fine, in an amount to be determined by the Architectural Control Committee and/or the Board, as applicable,

4.13 Garbage. No rubbish, garbage, or trash shall be placed or be allowed to remain at the exterior of any Dwelling Unit or other structure on any Lot or other Permanent Improvement, except in containers meeting the specifications of the Declarant or the Architectural Control Committee. 4.16 Burning and Incinerators. No open fires shall be permitted on the Property at any time, and no incinerators or like equipment shall be placed, allowed or maintained upon the Property. The foregoing shall not be deemed to preclude the use, in customary fashion, of outdoor residential barbecues, grills or chimeneas.

4.17 Signs. No exterior signs or advertisements of any kind may be placed, allowed or maintained on any portion of the Property without prior approval and authorization of the Architectural Control Committee, except that mailboxes, residential nameplates, "For Sale" signs not to exceed five (5) square feet in size, and signs designating the contractor of the Dwelling Unit upon such Lot may be placed and maintained in conformity with such common specifications, including without limitation, reasonable restrictions as to size, as may be adopted from time to time by the Architectural Control Committee. ARTICLE V - IMPROPER MAINTENANCE BY OWNER

5.1. Maintenance by Owner. In the event any portion of any Lot, any Dwelling Unit, or any Permanent Improvement is in the reasonable judgment of either the Architectural Control Committee or the Board so maintained by the Owner thereof (i) as to present a public or private nuisance, (ii) as to substantially detract from the appearance or quality of the surrounding Lots or other residential or commercial areas of the

Property or the Caddo Woods, or (iii) as to in any manner fail to comply with any of these Covenants, the Architectural Control Committee or the Board, as applicable, may make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto deliver written notice thereof to the offending Owner that unless corrective action, such corrective action to be stated in the written notice to the Owner, is taken within ten (10) days from the date of such written notice to remedy the situation, the Architectural Control Committee or the Board will cause such action to be taken at such Owner's cost and expense to remedy the situation, including entry upon the Owner's Lot, if necessary. Any entry upon any part or portion of the Property by the Architectural Control Committee or the Board, or anyone at the direction of the Architectural Control Committee or the Board, shall not be deemed a trespass or other violation of any law, ordinance or statute. Each Owner grants to the Architectural Control Committee and the Board the right to enter upon the Owner's property at all reasonable times to fulfill the obligations under this Article V, and neither the Architectural Control Committee nor the Board nor anyone else entering upon any part or portion of the Property at their direction shall be subject to any liability therefor. If after the expiration of said ten (10) day period the requisite corrective action has not been completed to the reasonable satisfaction of the Architectural Control Committee or the Board, as applicable, the Architectural Control Committee or the Board shall be and is hereby authorized and empowered by the violating Owner to cause such remedial action to be taken on the Owner's behalf, and all costs and expenses thereof and associated therewith, including but not limited to the costs of collection, court costs and reasonable attorneys' fees, such costs and expenses being herein collectively called the "Maintenance Charges," together with interest accruing thereon from the date or dates of the remedial action of such costs at the rate of (i) ten percent (10.0%) per annum or (ii) the highest rate allowed by law if the highest legal rate is less than ten percent (10.0%) per annum, from such date until paid, shall be charged and assessed against the offending Owner and the offending Owner's Lot. The Maintenance Charges, together with all interest accruing thereon, shall be secured by the Assessment Lien as provided in Article VI hereof. Written notice of such assessment shall be delivered to the offending Owner by the Architectural Control Committee or the Board which notice shall specify the amount of such Maintenance Charges and shall demand payment thereof within thirty (30) days after the date of said notice. By acceptance of a Deed to any part or portion of the Property, every Owner agrees to and shall pay all Maintenance Charges that shall be charged or assessed against an Owner's Lot or other Property.

5.2. Subdivision Maintenance Charges. By accepting a Deed to any of the Property or any Lot, each Owner:

- A. agrees to and shall pay such Owner's pro rata share (such pro rata share to be determined initially by the Declarant and which later shall be determined by the Association) of the cost to landscape, irrigate, light and maintain the area(s) of land constructed as garden or landscaped areas in (i) the entry ways and signage into Caddo Woods or (ii) the streets, rights-of-way, mailboxes, shared drives or cul-de-sacs in the Subdivision ("Caddo Woods Amenities"); and
- B. agrees that the landscaping, irrigation, lighting and maintenance of Caddo Woods Amenities will enhance the beauty and value of the Subdivision and the Owner's Lot.

The cost for landscaping, irrigation, lighting and maintenance of Caddo Woods Amenities shall hereinafter be collectively called the "Caddo Woods Amenities Charges." The Architectural Control Committee, or the Association, as the assignee of the Architectural Control Committee, in its sole and exclusive discretion, shall have the right to determine how Caddo Woods Amenities will be landscaped, irrigated, lighted and maintained. At such intervals as shall be determined by the Architectural Control Committee, or the Association, as the assignee of the Architectural Control Committee, a statement will be sent to each Owner for the Owner's pro rata share of Caddo Woods Amenities Charges, and each Owner agrees to and shall pay their pro rata share of Caddo Woods Amenities Charges within thirty (30) days of the date shown on the statement. If the Owner's pro rata share is not paid in full within said thirty (30) day period, the Architectural Control Committee, or the Association, as the assignee of the Architectural Control Committee, shall be and is hereby authorized and empowered to take any and all action as shall be determined in the sole discretion of the Architectural Control Committee, or the Association, as the assignee of the Architectural Control Committee, to enforce the collection of the Owner's unpaid pro rata share of Caddo Woods Amenities Charges, together with any court costs, reasonable attorney's fees and interest at the rate of twelve percent (12.0%) per annum from the due date of the payment until the date of payment in full. Caddo Woods Amenities Charges, together with all costs and interest accruing thereon, shall be secured by the Assessment Lien as provided in Article VI, below.

ARTICLE VI - IMPOSITION OF LIEN; OWNERS' AGREEMENT

6.1 Imposition of Assessment Lien and Priority of the Lien. THE OBLIGATION TO PAY MAINTENANCE, AMENITIES AND FENCE CHARGES IN THE MANNER PROVIDED FOR IN ARTICLE V, TO PAY FINES IN THE MANNER PROVIDED FOR IN ARTICLE VIII, TO PAY ASSESSMENTS IN THE MANNER PROVIDED FOR IN ARTICLE IX, AND TO PAY ANY OTHER CHARGES, OR ASSESSMENTS AS PROVIDED IN THIS DECLARATION, TOGETHER WITH INTEREST, COLLECTION COSTS, COURT COSTS, AND REASONABLE ATTORNEY'S FEES RELATED THERETO, SHALL BE AND IS HEREBY EXPRESSLY SECURED BY A CONTINUING CONTRACTUAL LIEN (THE "ASSESSMENT LIEN") AND CHARGE ON THE LOT OR OTHER PART OR PORTION OF THE PROPERTY COVERED BY SUCH MAINTENANCE CHARGES, FINES, ASSESSMENTS OR OTHER CHARGES, WHICH SHALL BIND SUCH LOT AND THE OWNERS THEREOF AND THEIR HEIRS, SUCCESSORS, DEVISEES, PERSONAL REPRESENTATIVES AND ASSIGNEES. The aforesaid continuing contractual Assessment Lien shall attach to the Lots and other part or portion of the Property as of the date of the recording of this Declaration in the Official Public Records of Smith County, Texas, and such Assessment Lien shall be superior to all other liens except as provided in Section 7.4 of this Declaration. Either the Declarant, the Board or Association, as applicable, shall have the right to subordinate the aforesaid Assessment Lien to any other lien. The exercise of such right shall be entirely discretionary with the Board or the Association. Except for a conveyance to a purchaser at a foreclosure sale pursuant to a lien to which the Assessment Lien is subordinate as provided herein or in Section 7.4 hereof, all Lots and other parts and portions of the Property are conveyed to, and accepted and held by, the Owner thereof subject to the Assessment Lien provided for in this Section 6.1. To evidence any unpaid Assessments, the Declarant, the Architectural Control Committee or the Association, as applicable, may prepare a written notice of unpaid Assessments (the "Notice of Unpaid Assessments") setting forth the amount of the unpaid indebtedness, the reason for the indebtedness, the name of the Owner of and describing the affected Lot or other part or portion of the Property. Such notice shall be signed by the Declarant, the Architectural Control Committee, or one (1) of the officers of the Association and may, at the sole and exclusive discretion of the one giving the Notice, be recorded in the Official Public Records of Smith County, Texas. The Declarant, the Architectural Control Committee, or the Association, as applicable, shall record an appropriate release of any recorded Notice of Unpaid Assessments when the amounts referenced therein have been paid. THE ASSESSMENT LIEN MAY BE ENFORCED BY FORECLOSURE OF THE ASSESSMENT LIEN UPON THE DEFAULTING OWNER'S LOT OR OTHER PROPERTY BY THE DECLARANT, THE ARCHITECTURAL CONTROL COMMITTEE, OR THE ASSOCIATION, AS APPLICABLE, SUBSEQUENT TO THE RECORDING OF THE NOTICE OF UNPAID ASSESSMENTS EITHER BY JUDICIAL FORECLOSURE OR BY NONJUDICIAL FORECLOSURE THROUGH A PUBLIC SALE IN LIKE MANNER AS A MORTGAGE ON REAL PROPERTY IN ACCORDANCE WITH OF THE TEXAS PROPERTY CODE, AS SUCH MAY BE REVISED, AMENDED, SUPPLEMENTED OR REPLACED FROM TIME TO TIME. In addition, the Declarant, the Architectural Control Committee, or the Association, as applicable, may institute suit against the Owner personally to obtain a judgment for unpaid Assessments. Furthermore, the Declarant, the Architectural Control Committee, or the Association, as applicable, shall have such other rights and remedies as permitted or allowed by applicable law. In any foreclosure proceeding, whether judicial or nonjudicial, or in any suit or other action against, or pertaining to, the Owner, the Owner shall be required to pay all costs, expenses and reasonable attorneys' fees incurred by the foreclosing party. The Declarant, the Architectural Control Committee, and the Association shall have the right and power to buy the Lot or other Property at any foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same, subject to any statutory right of redemption.

6.2 Owner's Agreement. Each Owner, owning a part or portion of the Property or of any Lot, for said Owner, and the Owner's heirs, executors, administrators, personal representatives, successors, and assigns, covenants and agrees:

- A. that the Owner acquires the Owner's Property or Owner's Lot subject to the Maintenance Charges, Amenities Charges, Fines, Assessments, and the Assessment Lien; and
- B. that by accepting a Deed to the Owner's Property or Owner's Lot, the Owner is, shall be, and shall remain personally liable for any and all Maintenance Charges, Amenities Charges, Fines and Assessments assessed against the said Owner's Property or Owner's Lot while the said Owner is (or was) the Owner thereof, regardless of whether such covenants or agreements are expressed in such Deed and regardless of whether the said Owner signed the Deed; and

- C. that by accepting a Deed to the Owner's Property or Owner's Lot and to secure the Owner's performance hereunder, the Owner conveys the Owner's Property and the Owner's Lot, and all portions thereof, to the Association, and its successors and assigns, in trust, with a power of sale, and warrants and agrees to defend the title to the Lot, and all portions thereof. If the Owner pays all of the Fines, Maintenance Charges, Amenities Charges, and Assessments imposed against the Owner's Property or Owner's Lot as provided herein, this conveyance in trust shall have no further effect. If the Owner fails to pay any of the Fines, Maintenance Charges, Amenities Charges, or Assessments imposed against the Owner's Property or Owner's Lot, the Association in its capacity as trustee shall have the right to nonjudicially foreclose upon the Assessment Lien granted herein in accordance with and upon compliance with the provisions of the Texas Property Code, as the same may be amended or supplemented from time to time.

ARTICLE VII - ENFORCEMENT OF DECLARATION AND OF ASSESSMENT LIEN

7.1 Enforcement By Declarant, Architectural Control Committee or Association. The Declarant, the Architectural Control Committee, the Board, or the Association, acting either jointly or independently, shall each have the right, jointly or severally, but not the obligation, to enforce the provisions of this Declaration, including, but not limited to, enforcement of the Assessment Lien. Any Owner shall also have the right to enforce this Declaration at the said Owner's sole cost and expense by any appropriate action, whether at law or in equity. Neither the Declarant, nor the Architectural Control Committee, nor the Board, nor the Association shall have any liability to any Owner or any other person or entity for failing or refusing to enforce this Declaration.

7.2 Enforcement Remedies. If the Owner of any Lot or other part or portion of the Property fails to pay any Fines, Maintenance Charges, Amenities Charges, or Assessments assessed, or to pay any interest accrued on any Fines, Maintenance Charges, Amenities Charges, or Assessments, or any and all costs (including court costs and attorneys' fees) incurred by either the Declarant, the Architectural Control Committee, the Board, or the Association, or any one of them, in collecting same, the Declarant, the Architectural Control Committee, the Board and/or the Association, as applicable, shall have the right to enforce the payment of the Fines, Maintenance Charges, Amenities Charges, and Assessments, and all interest accrued thereon and costs incurred by either the Declarant, the Architectural Control Committee, the Board, or the Association, or any one of them, in collecting same, and/or enforce the Assessment Lien by taking either or both of the following actions, concurrently or separately (and, by exercising either of the remedies hereinafter set forth, the Declarant, the Architectural Control Committee, the Board and the Association do not prejudice there exercise of any other remedy):

- A. bring an action at law and recover judgment against the Owner personally obligated to pay the Fines, Maintenance Charges, Amenities Charges, or Assessments; or
- B. enforce the Assessment Lien against the Lot by any means available at law or in equity, including without limitation a nonjudicial foreclosure sale of the Lot, such sale to be conducted in the manner set forth in 51.002 of the Texas Property Code, as the same may be amended or supplemented from time to time. The Declarant, the Association, or any Owner may be the purchaser at any such foreclosure sale.

7.3 Priority of Texas Property Code. Notwithstanding the provisions of Section 7.2 above, all enforcement remedies for Maintenance Charges and Assessment Liens shall be conducted in accordance with the provisions of the Texas Property Code.

7.4 Subordination of the Assessment Lien to First Mortgage or Deed of Trust. The Assessment Lien provided for herein shall be subordinate to any valid first mortgage lien (purchase money or improvement loan) held by, or deed of trust of which the beneficiary is, an institutional lender which is chartered (or licensed) by the United States or any state within, the United States. Sale or transfer of any Lot or other part or portion of the Property shall not affect the Assessment Lien, provided, however, that if the sale or transfer is pursuant to foreclosure of any such superior mortgage lien or deed of trust, or pursuant to any sale or proceeding in lieu thereof, the purchaser at the mortgage lien foreclosure or deed of trust sale, or any grantee taking by deed in lieu of foreclosure, shall take the Lot or other Property free of the Assessment Lien for all Maintenance Charges that have accrued up to the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure; but upon the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure, the Assessment Lien immediately shall become and remain superior to any and all other charges, liens, or encumbrances (except lien for taxes or other public charges which by applicable law are expressly made superior and except to the extent

stated herein with respect to any subsequent first lien financing), and such mortgage or deed of trust foreclosure sale purchaser or grantee shall take the Lot or other Property subject to all Maintenance Charges and Assessments, and the Assessment Lien therefor accruing subsequent to the date of issuance of a sheriff's or trustee's deed or deed given in lieu of foreclosure.

ARTICLE VIII -RIGHTS AND POWERS

8.1 Right to Inspect. The Declarant, the Architectural Control Committee and the Association, jointly or severally, shall have the right to enter upon all Lots and other Property for the purpose of inspecting whether or not the Owner thereof is in compliance with the Declaration and Covenants, and each Owner grants the Declarant, the Architectural Control Committee and the Association an express easement and the right to enter upon the Owner's Lot or other Property for such inspection purposes. If during the course of construction of a Dwelling Unit or other Permanent Improvement upon a Lot or other Property, the Declarant, the Architectural Control Committee or the Association, jointly or severally, determines in its/their sole discretion that there is a violation of the Covenants, the Declarant, the Architectural Control Committee or the Association, as appropriate, may order a discontinuance of the construction of the Dwelling Unit or other Permanent Improvement until such time as corrective measures have been taken to assure full compliance with the Covenants, and an Owner's failure to immediately discontinue or cause the discontinuance of construction of the Dwelling Unit or other Permanent Improvement, upon demand by Declarant, the Architectural Control Committee or the Association, shall constitute a further violation of this Declaration by that Owner.

8.2 Fines. The Architectural Control Committee, the Association and/or the Board shall have the right and authority to levy reasonable fines against any Owner who (i) violates or abuses any of the Covenants, (ii) violates or abuses any other covenant, restriction, reservation, charge, servitude, assessment or conditions set forth in this Declaration, or (iii) violates any rule, condition or regulation enacted, passed or otherwise required or approved by the Declarant, the Architectural Control Committee, the Board or the Association. Such fines against any Owner shall be an Assessment, as herein defined.

- A. When the Architectural Control Committee, the Association or the Board shall levy a reasonable fine against any Owner or Owners, the Architectural Control Committee, the Association or the Board, as applicable, shall give written notice of such fine to the affected Owner or Owners at such Owner's or Owners' most recent address according to the records of the Association by United States mail, certified mail, return receipt requested, with proper postage affixed thereon. Upon receipt of such written notice, the Owner or Owners shall have ten (10) days to request in writing a private meeting with the Architectural Control Committee, the Association or Board, as applicable, to discuss the nature of the violation giving rise to the fine.
- B. (i) At the conclusion of the private meeting provided for in Section 8.2(A), above, or (ii) if no private meeting is requested by the Owner or Owners, the Architectural Control Committee, the Association or the Board, as applicable, shall advise the Owner or Owners in writing of its final decision with respect to the violation. If the final decision results in a fine being levied against the Owner or Owners, the Owner or Owners shall pay such fine within ten (10) days of such final decision. If such fine is not fully paid within such ten (10) day period, the Architectural Control Committee, the Association or the Board may, subject to the provisions of the Texas Property Code, enforce such Assessment as provided in this Declaration.

ARTICLE IX- THE ASSOCIATION

9.1 Establishment. The Declarant shall have the right to form the Association by the filing of a Certificate of Formation of the Association with the Secretary of State of the State of Texas. The Association has not been established on the date of the filing of this Declaration. The Association may be formed after the date on which this Declaration is recorded.

9.2 By-Laws. By-Laws for the Association will be established and adopted by the Board of the Association.

9.3 Membership. The Declarant and each Owner of a Lot, including successive buyers, shall automatically and mandatorily become and be a Member of the Association. Membership shall be appurtenant

to and shall not be separated from ownership of any Lot. Every Member shall have a right at all reasonable times during regular business hours of the Association to inspect the books and records of the Association.

9.4 Voting Rights. The Association shall have two (2) classes of membership to be designated as Class A and Class B. Subject to the provisions of this Article and the Texas Property Code, membership in the Association and the voting rights of a Member shall be as follows:

- A. Class A Members shall be all Owners with the exception of the Declarant. Subject to the provisions of the Texas Property Code to the contrary, a Class A Member shall be not entitled to vote until (i) the Declarant initially sells all of the Lots in the Subdivision, as now existing or as the Subdivision may be expanded as provided in this Declaration, owned by the Declarant, or (ii) the Declarant files a statement with the Association that the Declarant will allow the Class A Members to vote. Once the Declarant files the statement with the Association allowing Class A Members to vote, the statement may not be revoked by the Declarant. Each Class A Member shall, once the Class A Members are entitled to vote, be entitled to one (1) vote for each individual Lot owned. When more than one person owns an interest in an individual Lot, all such persons shall be Members of the Association, however, the one (1) vote voting right for such Lot shall be exercised collectively as the owners of the particular Lot shall between or among themselves determine.
- B. The Declarant shall be the Class B Member for so long as it owns any Lot in the Subdivision, as now existing or as the Subdivision may be expanded as provided in this Declaration, which has not previously been conveyed by the Declarant to an Owner. When any Lot is initially sold by the Declarant, the Class B membership with respect to such Lot shall cease and automatically become and be a Class A membership. Unless the Declarant files the statement with the Association referred to in Section 9.4(A), above, allowing Class A Members to vote, for so long as the Declarant, owns any Class B membership, the Declarant shall be the only Member of the Association entitled to vote.
- C. Once the Class A Members are entitled to vote, whether by sale by the Declarant of all of the Declarant's Lots or by the Declarant's filing the statement with the Association allowing the Class A Members to vote, the Class B Member shall no longer be entitled to vote as a Class B Member.

9.5 Board of Directors. The Board shall be elected by the Members as provided in the By-Laws. The Board shall conduct the business of the Association, except when a membership vote is required by this Declaration, the Articles of Incorporation or the By-Laws.

9.6 POA Assessments. Each Lot is hereby and shall be subject to an annual Property Owners Association ("POA") maintenance charge and assessment for the purpose of creating a fund to be used for the mutual benefit of all Lot Owners and the Subdivision. The amount of such annual maintenance charge shall be determined by the Board, and, except as is provided in Subsections 9.6(A) and 9.6(B), below, such annual maintenance charge shall be paid by the Owner of each Lot to the Association in accordance with the procedures that shall be adopted from time to time by the Board. The annual maintenance charge will include, but is not limited to, upkeep, repair and maintenance of the Subdivision. The Board shall also have the right to levy and charge to the Owners special assessments for such purposes that shall benefit the Subdivision as the Board, in its sole discretion, shall determine. Except as is provided in Subsections 9.6(A) and 9.6(B), below, the special assessments shall be paid by the Owner of each Lot to the Association in accordance with the procedures that shall be adopted from time to time by the Board. If an Owner shall own more than one Lot, the Owner shall be responsible for paying the full annual maintenance charge and the full special assessment for each Lot owned by the Owner.

- A. Notwithstanding anything contained in this Declaration or elsewhere, the Declarant shall not at any time be required to pay nor otherwise be responsible for payment of any annual maintenance charge or any special assessment.
- B. Notwithstanding anything contained in this Declaration or elsewhere, a homebuilder who purchases a Lot directly from the Declarant on which the homebuilder shall construct a Dwelling Unit that shall be constructed to be sold to a third party shall not be required to pay nor otherwise be responsible for payment of any annual maintenance charge or any special assessment for a period of one (1) year from the date that such homebuilder purchases a Lot from the Declarant,

such purchase date being the date that the Deed is signed by the Declarant conveying the Lot to the homebuilder. If, prior to the expiration of the one-year exemption period, the homebuilder sells the Lot to any third party, the exemption shall automatically and without notice lapse, and the new Owner shall then be fully responsible for all annual maintenance charges and special assessments from and after the date of such sale as evidenced by the date of the Deed from the homebuilder to the Owner.

9.7 Tennis and Athletic Assessments. Each Lot is hereby subject to a mandatory club assessment (the “**Club Assessment**”) for the support of the tennis and athletic facility (the “**Club**”) to be constructed on a five (5) acre or greater tract of land to be determined by Declarant in Declarant’s sole discretion (the “**Club Property**”).

A.

1. The initial amount of the Club Assessment shall be \$75.00 per month per Lot, commencing on the date that a non-builder Owner purchases a Lot; provided that the Club Assessment shall not include tennis membership privileges and benefits, but shall include all other Club privileges and benefits. The Club Assessment shall not be greater than \$75.00 per month per lot for the year 2023 and may be changed beginning on January 1, 2024 and from time to time thereafter by the owner of the Club Property provided that the annual increase in the Club Assessment shall not exceed the greater of (i) five percent (5%) per year or (ii) the increase in the Consumer Price Index, All Urban Consumer – South Region with January 1, 2023 as the base period. This restriction limitation regarding the owner of the Club Property’s right to increase the Club Assessment shall automatically and without notice terminate on the expiration of the 15-year Term defined in Paragraph 9.7G below.

2. At the time when a food and beverage program is added to the Club, the POA shall pay the Club a mandatory quarterly food credit of \$75.00 for every Owner. The quarterly food credit may be changed beginning on January 1, 2024 and from time to time thereafter by the owner of the Club Property provided that the annual increase in the quarterly food credit shall not exceed the greater of (i) five percent (5%) per year or (ii) the increase in the Consumer Price Index, All Urban Consumer – South Region with January 1, 2023 as the base period. This requirement shall automatically and without notice terminate on the expiration of the 15-year Term defined in paragraph 9.7G, below. The POA shall not be required to pay the Club quarterly food credit until (i) the construction of the restaurant facility is completed and is open to its members and (ii) the Club has received its liquor license.

B. The Initiation Fee shall be initially established and thereafter changed from time to time by the owner of the Club Property. The Initiation Fee shall be waived for (i) the contractor of a new home on a Lot and (ii) for the initial, non-builder purchaser only of a residential Lot. Each subsequent owner of a Lot shall be required to pay only the Club’s lowest non-resident membership Initiation Fee in effect at the time of the conveyance of the Lot, such Initiation Fee not to exceed \$75.00 in the year 2023 plus an annual increase in each year thereafter by the owner of the Club Property of an amount not to exceed the greater of (i) five percent (5%) per year or (ii) the increase in the Consumer Price Index, All Urban Consumers – South Region with January 1, 2023 as the base period. This restriction limitation regarding the owner’s right to increase the Initiation Fee shall automatically and without notice terminate on the expiration of the 15-year Term defined in Paragraph 9.7G, below.

C. The Club Assessment and the Initiation Fee shall not be charged until (i) the construction of the Club is completed and open to its members and (ii) the earlier of (a) the date that a Lot is first inhabited for residential purposes or (b) six (6) months after the acquisition of a Lot by a non-builder owner even if the Dwelling Unit is not completed by such date.

D. The owner of a Lot may choose to include tennis membership and tennis benefits upon payment of the Club’s additional cost of a tennis membership, including both the tennis membership initiation fee and additional monthly dues.

E. Five (5) years after the date that control of the POA in the Subdivision is transferred from the Developer to the property owners of Lots in the Subdivision, the Members of the POA may terminate the requirement imposed upon each Lot for membership in the Club and Club Assessments, including the payment to the Club of the quarterly food credit for every Owner, by the affirmative vote of at least sixty percent (60%) of the voting Members of the

POA, which vote must be completed by no later than sixty (60) days after the fifth anniversary of the transfer of the control of the POA to its Members:

1. If the requirement for Club membership and Club Assessments and the payment by the POA to the Club of the quarterly food credit for every Owner is not terminated as provided above, then another vote may not be allowed to terminate such requirement until five (5) years after the date of the failed vote.
 2. If the POA votes to terminate the requirement for Club membership and Club Assessments, and the payment by the POA to the Club of the quarterly food credit for every Owner, Owners may join the Club upon payment of the then current Initiation Fee and Club Assessments, provided that any non-builder initial purchaser of a Lot from the Developer or from the homebuilder who initially constructed the residence on a Lot shall be required to pay only one-half of the then current Initiation Fee for a period ending five (5) years after the closing date of the Lot purchase.
- F. Notwithstanding anything to the contrary set forth in this Paragraph 9.7, the Club Assessment will be waived in its entirety for the first five (5) Lots sold to non-builder owners of Lots in Caddo Woods, and all subsequent owners of such Lots in Caddo Woods shall be required to pay the resident Initiation Fees and Club Assessments then in effect.
- G. Beginning on the date that this Declaration is recorded in the Official Public Records of Smith County, Texas and continuing for a period of fifteen (15) years thereafter (the “**15-Year Term**”), the Club Property shall be used for the sole purposes of a tennis and athletic facility and for no other purposes, provided, however, that once the tennis and athletic facility has been finally completed on the Club Property according to the plans and specifications that have been approved in writing by the Architectural Control Committee, the owner of said Club Property may use any portion of the Club Property that is not a part of the original tennis and athletic facility property for any residential purpose(s). The tennis and athletic facility shall include at least the following: (i) a clubhouse with lobby, pro shop, group fitness area, cardio and strength training areas, men’s and women’s locker rooms, and a kid’s area, (ii) outdoor recreational areas including lighted tennis courts, a junior Olympic swimming pool with lap lanes, a Kids pool and Splash Zone, and picnic and gathering areas. Following the expiration of the 15-Year Term, the owner of the Club Property shall have the right to make any use of the Club Property that is permitted by or otherwise in compliance with the then current zoning and land use codes or ordinances of the City of Tyler, Texas or other governmental unit having jurisdiction over the Club Property.
- H. The Club Property will be completely exempt from the Club Assessment and any other POA dues and/or assessments for so long as the Property is used for a tennis and athletic facility.

9.8 Mandatory HOA Membership. As a condition of Lot ownership, each Owner shall be required to be a member of The Brooks at Cumberland Park Homeowners’ Association (“The Brooks HOA”), in addition to the Association. Owners of Lots shall have access to the common elements of The Brooks at Cumberland Park including, but not limited to, the pool, subject to the same restrictions, requirements, fees and dues structure and other rules and regulations as are applicable to all other members of The Brooks HOA as set forth in that certain Declaration of Covenants, Restrictions, and Conditions dated January 29, 2003, recorded in Volume 6885, Page 1, Smith County Official Public Records, and may have been subsequently amended. The fees and dues owing to The Brooks HOA are separate from the Assessments charged by the Association. However, the fees and dues owing to The Brooks HOA will be secured by the Assessment Lien created and imposed on each Lot by Article VI of this Declaration. All transfers are subject to the terms and conditions as promulgated by The Brooks HOA.

9.9 Conflicts. The Association may make whatever rules, regulations and By-Laws it deems necessary or desirable to govern the Association and its Members; provided, however, that any conflict between the Association’s rules, regulations and By-Laws and the provisions of this Declaration shall be controlled by and resolved in favor of this Declaration.

ARTICLE X - RESERVATIONS OF DECLARANT

10.1 Reservations. The following reservations are hereby made by Declarant:

- A. The utility easements shown on any Plat are dedicated with the reservation that such utility

- B. Declarant reserves the right from time to time to make changes in the location, shape, and size of, and additions to, the easements described in Section 10.1(A), above, for the purpose of more efficiently or desirably installing utilities therein and thereon, and this right to make such changes is herein and hereby expressly transferred and assigned to Declarant.
- C. The title conveyed to any Lot or any part of the Property shall not be held or construed to include the title to the water, gas, electricity, telephone, storm sewers or sanitary sewers lines, poles, pipes, conduits, cable television lines or other appurtenances or facilities constructed by Declarant or public utility companies upon, under, along, across or through such utility easements; and the right (but not obligation) to construct, maintain, repair and operate such systems, utilities, appurtenances and facilities is reserved to Declarant, its successors and assigns.
- D. The right to sell, dedicate or lease the liens, utilities, appurtenances and other facilities described in Section 10.1(C), above, to any municipality, governmental agency (including any water control or utility district created under Article XVI, Section 59 of the Texas Constitution covering the Property as well as other lands), public service corporation or other party is hereby expressly reserved to Declarant.
- E. The Declarant, and its successors or assigns, shall not be liable for any damage caused or done by the Declarant, nor any of its agents or employees to any Lot, any Permanent Improvements, or to any shrubbery, trees, flowers or other property of any Owner situated on any Lot.
- F. The right to enter upon any Lot or Lots during installation of streets for the purpose of performing street excavation, construction, and paving is hereby reserved to Declarant, its successors and assigns. The Declarant, and its successors or assigns, shall not be liable for any damage done by the Declarant nor any of its agents or employees to shrubbery, trees, flowers or other property of the Owner which is necessitated by such street construction.

ARTICLE XI -TERMS, AMENDMENTS; TERMINATIONS

11.1 Term. Method of Termination. This Declaration and the Covenants shall be effective upon the date of recordation hereof and, as may be amended from time to time, shall continue in full force and effect to and including December 31, 2053. From and after December 31, 2053 and expressly subject to the provisions of the Texas Property Code which shall control in the event of any discrepancy between the Texas Property Code and this Declaration, this Declaration, as it may have been amended, shall be automatically extended for successive periods often (10) years each, unless there is an affirmative vote to terminate this Declaration by the then Owners of at least fifty-one percent (51.0%) of the Lots (there being only one vote per Lot which shall be exercised collectively by any multiple owners of interests in any one Lot as they may among themselves determine) casting their votes for termination at a meeting of the Owners held for such purpose within six (6) months prior to the expiration of the initial effective period hereof or any ten (10) year extension.

11.2 Amendments.

- A. Until the Declarant has initially sold all of the Lots, including any additional Lots that may be added to the Subdivision by virtue of the Declarant's right to expand the Subdivision as provided in this Declaration, such sales being evidenced by the recording of a Deed from the Declarant to the initial buyer of a Lot, the Declarant shall have the sole right to unilaterally change or amend this Declaration at any time, in any manner, and for any reason or purpose as determined at the sole discretion of the Declarant. After all of said Lots have been initially sold by Declarant, this Declaration, subject to the provisions of the Texas Property Code which shall control in the event of any discrepancy between the Texas Property Code and this Declaration,

may be amended or changed in whole or in part at any time only by the affirmative vote of the then Owners of at least fifty-one percent (51.0%) of the Lots (each Owner having one vote per Lot owned which shall be exercised collectively by any multiple owners of interests in any one Lot as they may among themselves determine) casting their votes to amend change this Declaration at a special meeting of the Owners called pursuant to Section 11.3.

11.3 Election Procedures. The affirmative votes required under Sections 11.1 and 11.2 hereof shall be obtained and evidenced by the requisite vote of the Owners present at a meeting of Owners duly called by at least fifteen percent (15.0%) of the Owners or by the Declarant pursuant to notice to all of the Owners on or prior to ten (10) days before the date of the meeting at which meeting the requisite percentage of Owners vote to so amend or terminate this Declaration. No proxy votes shall be allowed or valid. The notice of the meeting must set forth the proposal as to amendment of this Declaration and such affirmative vote of the requisite percentage of Owners must be evidenced by minutes of the meeting duly certified by the Owners who called the meeting or the Declarant. In any event, as long as the Declarant owns a Lot in the Subdivision, a copy of the minutes shall be delivered to the Declarant prior to any amendment or change becoming effective.

11.4 Recording Amendments. Upon the amendment or change of this Declaration (and/or the Covenants contained herein) as herein provided, and upon the other conditions set forth in Section 11.1 and Section 11.3 of this Article being satisfied, then each amendment shall be executed by the (i) the Declarant, its successors or assigns, or (ii) the Owners who voted in favor of the amendment or change, as applicable, placed in recordable form, and filed of record in the Official Public Records of Smith County, Texas, accompanied by a statement that either (i) the Declarant, or (ii) the requisite percentage of Owners, have voted to make such amendment to this Declaration.

11.5 Effect. Upon the filing of an amendment or change in accordance with Section 11.4, this Declaration and the Covenants, as amended, shall remain in full force and effect.

11.6 Other Right of Amendment. Anything in this Article to the contrary notwithstanding, Declarant, its successors and assigns, reserves the right at any time prior to the initial sale of all of the Lots to amend all or any part of this Declaration to such an extent and with such language as shall be required by any federal, state, or local agency which requires such an amendment as a condition precedent to such agency's approval of this Declaration, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of the Property or any portion thereon. Any such amendment shall be affected by the recordation, by Declarant, its successors or assigns, of a Certificate of Amendment signed by Declarant, its successors or assigns, with proper signature acknowledged, specifying the federal, state, or local governmental agency or the federally chartered lending institution requiring the amendment and setting forth the amendatory language required by such agency or institution. Recordation of such a Certificate shall be deemed conclusive proof of the agency's or institution's requirement for such an amendment, and such Certificate, when recorded, shall be binding upon the Property, or the affected portion thereof, and all persons or Owners having an interest in the same. Except as provided in Section 11.2 and Section 11.6 of this Declaration, Declarant shall not have any right to unilaterally amend this Declaration.

ARTICLE XII -RESERVATION OF RIGHT TO RESUBDIVIDE

Subject to the approval of any and all appropriate governmental agencies having jurisdiction over the Subdivision or any Lot, Declarant hereby reserves the right at any time while it is the Owner thereof to subdivide or re-subdivide, as the case may be, and/or plat or replat, as the case may be, all or any portion of the Subdivision, the Property or of any Lot or Lots then owned by Declarant without the consent of any Owner.

ARTICLE XIII - RESERVATION OF RIGHT TO EXPAND SUBDIVISION

These Covenants and Caddo Woods may, at the sole discretion of the Declarant, be expanded to include additional real property and future development or subdivision of additional real property by the Declarant, or its assigns, which are contiguous with any of the real property that has been platted as part of Caddo Woods. The Covenants shall automatically become effective against and shall run with all of the land that is described on any Plat that is a part of or a Unit of Caddo Woods, whether or not any additional documents are filed of record in the Official Public Records of Smith County, Texas. By accepting a Deed to a Lot, each Owner stipulates, acknowledges, covenants and agrees that additional real property may be made subject to this Declaration by the Declarant at the sole and exclusive discretion of the Declarant.

ARTICLE XIV - TEXAS PROPERTY CODE

It is the intent of the Declarant that this Declaration be in all respects consistent with the provisions of the Texas Property Code. Therefore, in the event of any conflict between this Declaration and the provisions of the Texas Property Code, the provisions of the Texas Property Code shall control.

ARTICLE XV-MISCELLANEOUS

15.1 Interpretation of the Covenants. Except for judicial construction, until the Association is incorporated, the Declarant shall have the exclusive right and power to construe and interpret the provisions of this Declaration. Once the Association is formed, the Board shall have the exclusive right and power to construe and interpret the provisions of this Declaration. In the absence of any adjudication to the contrary by a Court of competent jurisdiction, the Declarant's or the Board's construction or interpretation of the provisions hereof, as applicable, shall be final, conclusive, and binding as to all persons and property benefitted or bound by this Declaration and the provisions hereof.

15.2 Severability. Any determination by any court of competent jurisdiction that any provision of this Declaration is invalid or unenforceable shall not affect the validity or enforceability of any of the other, remaining provisions hereof, which remaining provisions shall be and remain in full force and effect.

15.6 Disclaimer of Representation. Anything to the contrary in this Declaration notwithstanding, and except as otherwise may be expressly set forth on a recorded plat or other instrument recorded in the Official Public Records of Smith County, Texas, neither the Declarant nor the Architectural Control Committee makes any warranties or representations whatsoever that the plans presently envisioned for the complete development of the Property can or will be carried out.

15.7 Limitation of Liability. In the absence of willful and intentional misconduct attributable to (i) Declarant, its successors or assigns, (ii) the Architectural Control Committee (and any and all members thereof), or (iii) the Board (and any and all members thereof) neither the Declarant, nor its successors or assigns, nor the Architectural Control Committee (nor any member thereof), nor the Board (nor any member thereof) shall have any liability of any nature whatsoever arising out of or in any manner related to the performance or nonperformance of any of the rights and powers reserved unto Declarant, the Architectural Control Committee, the Board, or their respective heirs, executors, administrators, personal representatives, legal representatives, successors or assigns, pursuant to this Declaration.

15.8 Successors and Assigns. Any reference in this Declaration to Declarant shall include Declarant's successors and assigns.

15.11 Notices. Any notice required or permitted to be delivered as provided herein may be delivered either personally or by mail. If delivery is made by mail, delivery shall be deemed to have been made twenty-four (24) hours after a copy of the notice has been deposited in the United States mail, postage prepaid, registered or certified mail, return receipt requested, addressed to each such person or entity at the address given by such person or entity to the party sending the notice or to the address of the Dwelling Unit or the office of such person or entity if no address has been given. Such address may be changed from time to time by notice in writing.

15.12 Prior Recorded Instruments. This Declaration and all of the provisions hereof are expressly subject to all prior recorded documents affecting the Property.

15.13 Enforcement of the Covenants. Notwithstanding anything to the contrary herein, in the event of any violation or attempted violation of any of the provisions of this Declaration, including any of the Covenants, enforcement shall be authorized by any proceedings at law or in equity against any person or persons violating or attempting to violate any of such provisions, including proceedings to restrain or prevent such violation or attempted violation by injunction, whether prohibitive in nature or mandatory in commanding compliance with such provisions; and it shall not be a prerequisite to the granting of any such injunction to show inadequacy of legal remedy or irreparable harm. Likewise, any person entitled to enforce the provisions hereof may recover such damages as such person has sustained by reason of the violation of such provisions.

15.14 Suspension of the Covenants. The Declarant and the Architectural Control Committee shall and do have the right during the period of construction, development, and sale of the Lots in the Subdivision, to grant reasonable and specifically limited exemptions and waivers from the Covenants to Declarant and any other developer or contractor. Any such exemptions or waivers shall be granted only upon specific written request, itemizing the exemption or waiver requested, the location thereof, the need therefor, and the anticipated duration thereof; and any authorization and approval thereof shall be similarly itemized. No such exemption or waiver shall be broader in terms of activity, location, or time than is reasonably required.

15.15 Non-Waiver. Any failure or delay on the part of either the Declarant, the Architectural Control Committee, the Board, the Association, and/or any Owner (i) to exercise any right, remedy or duty under this Declaration, or (ii) to take any action to enforce the Covenants or the Declaration, with regard to any one matter or situation or group of matters or situations in any manner covered by or arising out of the Covenants or Declaration shall not in any manner be deemed or construed to be a waiver of the same or any subsequent matter or situation or group of matters or situation arising hereunder. No forbearance of any type for any period of time by either the Declarant, the Architectural Control Committee, the Board, the Association, and/or any Owner shall be in any manner deemed or construed to be a waiver of any right, remedy or duty hereunder, but all such rights, remedies and duties shall continue in full force and effect as if no forbearance had occurred. All Owners by accepting a Deed to a Lot hereby expressly covenant, stipulate, acknowledge and agree that (i) he, she or it expressly waives the affirmative defense of waiver with respect to any violation of this Declaration, or any part hereof or covenant herein, and (ii) the affirmative defense of waiver as recognized under the laws of the State of Texas shall not be available to any Owner as a defense to the violation of this Declaration, or any part hereof or covenant herein.

15.16 Liberal Interpretation. This Declaration, and all of the covenants, conditions, assessments, charges, servitudes, liens, reservations, and easements, shall be liberally construed to effectuate the purposes of this Declaration.
